

MICHIGAN ELECTION LAW (EXCERPT)
Act 116 of 1954

168.761 Absent voter ballots; mailing or delivering to applicant; order of issuance; numbering; return envelope; form; statement; false statement as misdemeanor or felony.

Sec. 761. (1) If the clerk of a city, township, or village receives an application for an absent voter ballot from a person registered to vote in that city, township, or village and if the signature on the application agrees with the signature for the person contained in the qualified voter file or on the registration card as required in subsection (2), the clerk immediately upon receipt of the application or, if the application is received before the printing of the absent voter ballots, as soon as the ballots are received by the clerk, shall forward by mail, postage prepaid, or shall deliver personally 1 of the ballots or set of ballots if there is more than 1 kind of ballot to be voted to the applicant. Absent voter ballots may be delivered to an applicant in person at the office of the clerk.

(2) The qualified voter file shall be used to determine the genuineness of a signature on an application for an absent voter ballot. Signature comparisons shall be made with the digitized signature in the qualified voter file. If the qualified voter file does not contain a digitized signature of an elector, or is not accessible to the clerk, the city or township clerk shall compare the signature appearing on the application for an absent voter ballot to the signature contained on the master card.

(3) Notwithstanding section 759, providing that no absent voter applications shall be received by the clerk after 2 p.m. on the Saturday before the election, a person qualified to vote as an absent voter may apply in person at the clerk's office before 4 p.m. on a day preceding the election except Sunday or a legal holiday to vote as an absent voter. The applicant shall receive his or her absent voter ballot and vote the ballot in the clerk's office. All other absent voter ballots, except ballots delivered pursuant to an emergency absent voter ballot application under section 759b, shall be mailed or delivered to the registration address of the applicant unless the application requests delivery to an address outside the city, village, or township or to a hospital or similar institution, in which case the absent voter ballots shall be mailed or delivered to the address given in the application. However, a clerk may mail or deliver an absent voter ballot, upon request of the absent voter, to a post office box if the post office box is where the absent voter normally receives personal mail and the absent voter does not receive mail at his or her registration address.

(4) Absent voter ballots shall be issued in the same order in which applications are received by the clerk of a city, township, or village, as nearly as may be, and each ballot issued shall bear the lowest number of each kind available for this purpose. However, this provision does not prohibit a clerk from immediately issuing an absent voter ballot to an absent voter who applies in person in the clerk's office for absent voter ballots. The clerk shall enclose with the ballot or ballots a return envelope properly addressed to the clerk and bearing upon the back of the envelope a printed statement in substantially the following form:
